Night Stop Program

For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night Stop service is available only from 8 pm to 5 am and is for dropping off riders only. Night Stop is not provided in downtown Seattle.

Night Rider Tip

You can help drivers spot you when it is dark or during times of reduced visibility by wearing light-colored clothing and by standing in the most visible area of the bus stop. We don't want to miss you!

ORCA Card

Metro Transit and six other Puget Sound transportation agencies (Community Transit, Everett Transit, Kitsap Transit, Pierce Transit, Sound Transit and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card for All). The ORCA card works as cash or a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

Get your ORCA card online at www.orcacard.com, by phone at 1-888-988-6722 (ORCA) or TTY Relay: 711 (1-888-889-6368), at ticket vending machines in Sounder and Link rail stations, or at one of the transit agency customer service offices. The ORCA Web site also provides information on how to use the card, as well as locations at which they can be reloaded with a new pass or additional cash.

Quick Timetable Tips

1. Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the direction you want to go. Timepoints are listed from the beginning of the route (on the left) to the end (on the right).
2. Timepoints in the schedule block correspond with the timepoint dots on the map. If you are boarding at a stop between two timepoints, use the earlier time as a guide.
3. If there is a symbol (letter or character) after a time, look for the explanation under the heading Timetable Symbols.
4. Refer to the Special Service Information section for changes in routing, route number, or other unique aspects of service on this route.
