

## 2011-2013 PSRC/WSDOT Grant Cycle

### Available Funding

- PSRC: \$3,995,482 (JARC: \$2.4 million, New Freedom: \$1.6 million)

### Local Match

- Operating Projects: 50% match required
- Capital Projects: 20% match required (including Mobility Management)
- Match requirements must be met at contract execution
- In-kind match sources should be approved by WSDOT prior to submitting your application

### Application Process

- *All applications must be submitted to PSRC by October 1!*
  - If applying for PSRC funds:
    - Submit application to PSRC
  - If applying for WSDOT funds:
    - Submit application to PSRC to have proposal ranked
    - Submit application to WSDOT

### Timeline

<b>2010:</b>	
July 14	PSRC Grant Workshop
<b>August 6</b>	<b>WSDOT releases application online; PSRC provides supplemental sheet(s)</b>
August 17	WSDOT Grant Workshop (Olympia)
September 19-20	WSDOT Conference: Official call for proposals and Grant Workshop
<b>October 1</b>	<b>Applications due to PSRC*</b>
October - December	Scoring and PSRC committee and policy board actions
<b>December 12</b>	<b>Applications due to WSDOT*</b>
<b>2011:</b>	
January	PSRC Executive Board action on funding list
Spring	State budget adopted; WSDOT makes award decisions
July	Funding begins

*\*Note: even if you are only applying for WSDOT special needs funds, you must still send in an application to PSRC for ranking on PSRC's Coordinated Grant Program schedule. Your application cannot change substantively between when it is submitted to PSRC for ranking and when it is submitted to WSDOT.*
