1.0 SUBJECT TITLE: King County Department of Transportation, Transit Division, Transit Advertising Policy

1.1 EFFECTIVE DATE: January 12, 2012

1.2 TYPE OF ACTION: Superseding CON 1-1 (D-P)

1.3 KEY WORDS: (1) Transit; (2) Advertising

2.0 PURPOSE:

2.1 King County Transit System. The King County Department of Transportation, through its Transit Division, operates one of the largest bus systems in the nation, one that includes more than 225 bus routes throughout the County, with nearly 9,000 bus stops and more than 130 park-and-ride facilities connecting riders with those routes. The transit system is a vital component of the broad spectrum of public services the County provides. The County's transit advertising program is intended to generate revenue to support the transit system.

2.2 Advertising as Revenue Source. The County's transit operations are funded by a combination of federal, state and local funds, including grants and taxes, as well as fare box revenue. Advertising revenues are an important additional source of revenue that supports transit operations. The County's fundamental purpose in accepting transit advertising is to generate revenue to augment the Transit Division's operating budget.

The primary purpose of the County's transit system is to provide safe and efficient public transportation within its service area. Consistent with this purpose, the County places great importance on maintaining secure, safe, comfortable and convenient Transit Facilities and Transit Vehicles in order to, among other things consistent with the provision of effective and reliable public transportation, retain existing riders and attract new users of public transit services (KCC 28.96.020 and .210). To generate additional revenue while also accomplishing the primary objectives of transit

operations, the County will accept advertising on its Transit Facilities and Transit Vehicles only if such advertising complies with this Advertising Policy.

- 2.3 Limited Public Forum Status. The County's acceptance of transit advertising does not provide or create a general public forum for expressive activities. In keeping with its proprietary function as a provider of public transportation, and consistent with KCC 28.96.020 and .210, the County does not intend its acceptance of transit advertising to convert its Transit Vehicles or Transit Facilities into open public forums for public discourse and debate. Rather, as noted, the County's fundamental purpose and intent is to accept advertising as an additional means of generating revenue to support its transit operations. In furtherance of that discreet and limited objective, the County retains strict control over the nature of the ads accepted for posting on or in its Transit Vehicles and Transit Facilities and maintains its advertising space as a limited public forum.

In the County's experience, certain types of advertisements interfere with the program's primary purpose of generating revenue to benefit the transit system. This policy advances the advertising program's revenue-generating objective by prohibiting advertisements that could detract from that goal by creating substantial controversy, interfering with and diverting resources from transit operations, and/or posing significant risks of harm, inconvenience, or annoyance to transit passengers, operators and vehicles. Such advertisements create an environment that is not conducive to achieving increased revenue for the benefit of the transit system or to preserving and enhancing the security, safety, comfort and convenience of its operations. The viewpoint neutral restrictions in this policy thus foster the maintenance of a professional advertising environment that maximizes advertising revenue.

This policy is intended to provide clear guidance as to the types of advertisements that will allow the County to generate revenue and enhance transit operations by fulfilling the following goals and objectives:

- Maximizing advertising revenue;
- Preventing the appearance of favoritism by the County;
- Preventing the risk of imposing demeaning or disparaging views on a captive audience;
- Maintaining a position of neutrality on controversial issues;
- Preserving the marketing potential of the advertising space by avoiding content that the community could view as demeaning, disparaging, objectionable, inappropriate or harmful to members of the public generally or to minors in particular;
- Maximizing ridership;
- Avoiding claims of discrimination and maintaining a non-discriminatory environment for riders;
- Preventing any harm or abuse that may result from running demeaning, disparaging or objectionable advertisements;

- Reducing the diversion of resources from transit operations that is caused by demeaning, disparaging, objectionable, inappropriate or harmful advertisements.

The County's Transit Facilities and Transit Vehicles are a limited public forum and, as such, the County will accept only that advertising that falls within the categories of acceptable advertising specified in this viewpoint neutral policy and that satisfies all other access requirements and restrictions provided herein.

The County reserves the right to suspend, modify or revoke the application of any of the standards in this Policy as it deems necessary to comply with legal mandates, to accommodate its primary transportation function, or to fulfill the goals and objectives identified above. All of the provisions in this Policy shall be deemed severable.

- 2.4 Application of Policy. This Transit Advertising Policy applies to the posting of all new advertisements on Transit Facilities and Transit Vehicles on or after the Effective Date. Any advertisements which would be prohibited under this policy, but which were posted pursuant to the terms of a fully executed advertising contract prior to the Effective Date of this policy, will be allowed to remain posted for the duration of that contract.
- 2.5 Disclaimer of Endorsement. The County's acceptance of an advertisement does not constitute express or implied endorsement of the content or message of the advertisement, including any person, organization, products, services, information or viewpoints contained therein, or of the advertisement sponsor itself. This endorsement disclaimer extends to and includes content that may be found via internet addresses, quick response (QR) codes, and telephone numbers that may appear in posted ads and that direct viewers to external sources of information.
