

Route	Description
38	Recommended: Rainier Beach - Mount Baker

Summary of recommended changes

- New Route 38 would replace Route 8 between Rainier Beach and the Mount Baker Transit Center to improve reliability.
- This route would have more trips during peak period than the part of Route 8 it is replacing, thanks to Seattle voters.

In the tables below, the color red indicates a change.

How often the bus comes (approximate minutes between buses)

Peak periods are 5-9 a.m. and 3-7 p.m. weekdays.
