Snow

During most weather conditions, the Valley Shuttle will operate along the usual route although we may be delayed depending upon the road conditions. In the event that SVT cannot make certain hills or roads, re-routing will be on the website at SVTbus.org or you may call our office at 425-888-7001.

**WHAT IS SVT?** Since 2003, Snoqualmie Valley Transportation has been your local bus company. We provide door-to-door and fixed route service in the Snoqualmie Valley. By using our services, people get to medical appointments, grocery stores, jobs and their favorite activities and entertainment. We connect people with places. This helps people stay socially active, helps employers, helps local businesses, helps the environment and helps our community. We are a small, dedicated group of people who work for the Mt. Si Senior Center with a passion for making sure that people get where they want to go in an easy, friendly and inexpensive way. **We work for you.**

Bike & Ride

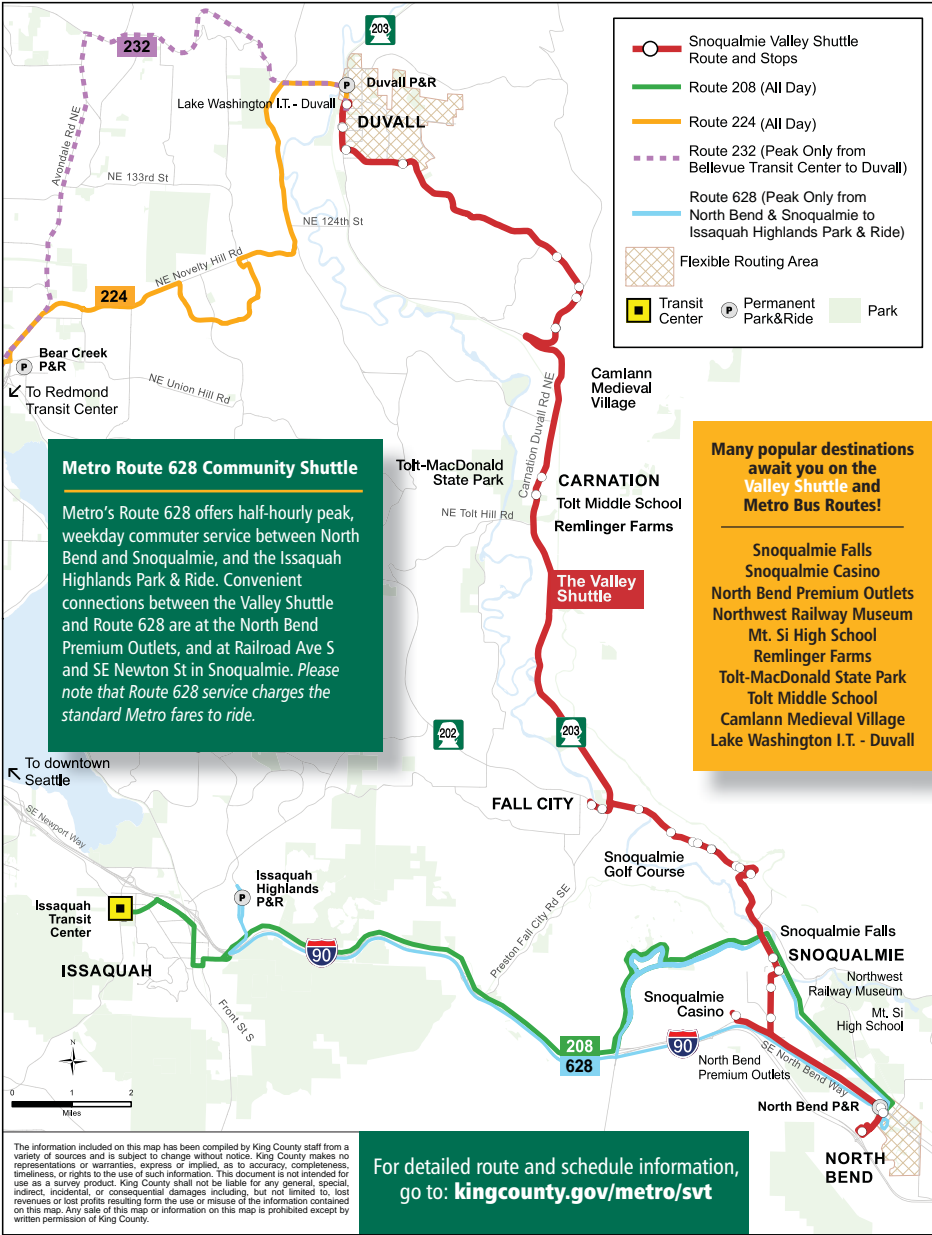

SVT buses have bike racks that hold 3 bikes. The racks are easy to use at no extra cost. Just follow the simple instructions posted near the rack. You may load or unload your bike anytime at all regular stops.

Make a Donation

The Valley Shuttle is operated locally by Snoqualmie Valley Transportation and the Mt. Si Senior Center. Riders connecting to Metro buses don't pay a fare on the Valley Shuttle. For riders using only the Valley Shuttle, we suggest a \$1.00 donation per trip, which can be paid in cash. ORCA cards are not accepted on the Valley Shuttle.

Shuttle Flexible Service

Are you travelling a bit farther than the Valley Shuttle goes in North Bend or Duvall? Did you know that the Valley Shuttle can drop you off or pick you up farther than the service stops on the timetable? Give us a call at 425-888-7001 to arrange for this flexible routing service.
