

Free Vanpool During I-90 Closure

Here is a great opportunity for you to try out a Metro vanpool and beat the I-90 lane closure! You can ride **FREE** in any King County Metro Commuter Van with availability for the duration of the expansion joint replacement project (07/18/14-07/25/14).

Vanpools are fun and can save you time and money. A 30-mile round trip with seven riders costs only about \$77 a month. Gas, insurance, and maintenance is even included with every trip!

Now is a great time to give a vanpool a try. Have the driver of your van you're joining use the ticket below to take part in this special promotion.
