

SERVICE ADVISORY

SNOW REROUTE

During a snow or ice event, Route 45 may be rerouted or delayed; find information in this advisory

Route(s): 45 - [Planned snow routing/Timetable/Snow map](#)
Area: North Seattle
Operate: When implemented by Metro as warranted by weather or road conditions.
Notes: Visit [Metro Winter](#).
Visit Metro's [website](#) for COVID-related information.

During snow or ice

- Weather, traffic and road conditions and this information are subject to change and are updated as soon as possible, but there may be delays in providing the most current status when conditions are changing rapidly.
- Use published timetables for the scheduled times of transit service but expect delays & prepare accordingly.
- Check [Service Advisories for](#) your route's status.
- Metro's online regional [Puget Sound Trip Planner](#) provides transit itineraries based on regularly scheduled service and does not reflect snow routing or related possible service delays.
- Transit real time information is provided in the trip planner but may be less reliable when service is affected by weather.
- The trip planner provides known canceled trips.
